

# HOW TO USE YOUR TEMPLATES

---

## REQUIRED SOFTWARE:

Adobe® Indesign® -OR- Adobe® Acrobat® Pro  
If you don't have it, [CLICK HERE TO PURCHASE](#).  
Follow the installation instructions they provide.\*

## 3 EASY STEPS:

1. Download and unzip the files. (Tip: Make a copy and save it somewhere safe. Trust us, you'll thank us later.)
2. Open the "Fonts" folder. Right click on each font name to install each font.
3. Inside each template folder, you'll find the files you need. INDD can only be edited in Adobe Indesign. PDF can be only be edited in Adobe Acrobat Pro.\*

\*The BRAND Dept is not a software training/support provider. There are a vast number of free tutorials on Adobe's website and on Youtube to help you learn how to use the software to edit your templates.
